

# Directory Structure

---

**Figure 1 Directory Structure**

Source: From the Authors Hard Drive C:\Inetpub\wwwroot\Ass2

## Addition Information

---

The home page is:

[Ass2\default.asp](#)

The web page that provides links to all files is:

[Ass2\history.asp](#)

Additionally you can access the "history.asp" by opening the default.asp and by clicking the "Admin" button.

As you can see from Figure 1 XML documents are created in the same directory as the default.asp.
